Info & Disclaimers

What you get:

- Up to 1 hour of bowling on one lane and up to 6 pairs of shoes once a day.
- Valid June 1 to August 31, 2011
- Non-transferable. Yes, grandma or grandpa may use it to bring the grandkids in and/or the babysitter, but please do not pass it around the neighborhood. **You will sign the card when initially picked up, and IDs may be checked when used. IDs will be checked when picking up your card initially.**
- You must present your card at each visit (until we get to know you).
- Any additional time on the lane or shoes (above the six as part of the package) will be charged regular retail rate.
- Valid seven (7) days a week during regular business hours (yes, this includes "rock-n-bowl")
- Families may use two cards for 2 hours of bowling back-to-back on the same lane.
- No reservations. Walk-ins only. You are welcome to call in advance to see how busy we are.
- Please note we host numerous corporate parties, special events and other "fun" leagues throughout the summer. You may check our calendar (found on our Facebook page) or call in advance to check on parties.
- Card may not be applied to birthday party packages or other special events and reservations.
- *Please note that we will get busy from this. Purchasing a pass does not guarantee time on the lanes. We hate turning away friends, but remember we feature 16 lanes which fill up quick. You can use it 7 days a week so pick your time wisely and stop in.*

That should just about cover it. Of course there may be things we missed or didn't think of, so feel free to call or contact us anytime to inquire before purchasing.
